Working overtime

Her older boss proves perfect to "test out" her body with…

I've managed to keep my virginity for over 18 years. But I'm an adult now, living and working in the "real world," and anxious to know what an experienced cock feels like inside me. That's why I made a point of testing out my young body on my 45-year-old office manager at work.

I walked into his office wearing a fairly tight skirt with a slit up the side and a form-fitting blouse. I make the most out of my small titties by wearing a shapely push-up bra. My boss, Carl, gave my pretty body the once-over and welcomed me in. I came right out and told him I wanted him to be the one to take my virginity. To prove it, I unbuttoned my blouse and revealed my pretty little titties clothed in the midnight black push-up piece.

Carl sat speechless as I walked over to him, exaggerating the movement of my hips, like Mae West would do. Before he could respond, I placed his hand over my titties and encouraged him to rub them.

I couldn't believe what I was doing. After six years of rejecting guy's advances and denying my own urges, here I was practically begging my boss to touch me! There was no turning back now, but thankfully Carl quickly responded by reaching inside my bra to pluck and pinch my pert nipples.

I reached down and cupped his cock in my hand. Through his pants, I felt it growing larger. Intuitively, I rubbed his cock up and down and played with his balls. He groaned, telling me I was doing it right. Encouraged by my success thus far, I asked him if he would teach me to suck cock.

Carl instructed me to move my mouth up and down sucking as if his cock were a lollipop. He was helpful and patient as I explored his cock, stopping every now and then to stare at its incredible mass. I snuggled my face in his crotch and inhaled his manly odor. I licked all around him and then tried to put both of his balls into my mouth.

He told me how sensitive his balls are and how it's of the utmost importance to be as loving and gentle with them as possible. With that rule in mind, I opened my mouth wide and slurped in first one and then the other. I felt so lucky to be with an experienced older guy, who took the time to show me the right sexual moves. He was no longer just my boss but also my mentor and sexual instructor.

The excitement of being so close to a guy's privates was too much, and I had a hard time concentrating on one activity. I would lick for a few minutes, then suck his cock, then kiss his balls, and so on. I made an effort to focus on his cock and to give him the best blow-job I could. I really wanted him to like it and be proud of me.

Finally, he rested his hands on my head and told me he was about to come. He asked me if I wanted to swallow his cum or to watch it shooting from his cock. I had never even thought about these options before and had no idea what to do. Then I recalled how my girlfriends used to discuss the joys of swallowing sperm and decided I wanted the experience for myself. My mouth was at once filled with warm cum. I allowed it to stay on my tongue for a minute so I could savor the taste before drinking it down.

Pretty soon, though, I started to feel a little tickle in my pussy. That made me feel like I needed something inside me. That's right: I didn't just want something inside me, I needed it. Carl seemed to be aware of this and pulled me from his cock.

He slid my skirt up over my shapely hips and peeled back my panties with both hands. He gasped at the sight of my wet folds and reached his fingers out to feel my shaven pussy. I like to maintain the look of my youth by keeping my pussy clean, smooth, and sweet-smelling.

Carl told me that first he would rub my pussy in order to lube me up so he could enter me. I allowed him to do what was necessary and enjoyed every movement his hand made over my pussy. He felt inside me and, based on how wet his fingers were, announced that I was ready for him.

He lay down on his desk with his rock-hard cock pointing to the ceiling. Next, he instructed me to lower myself onto it. I climbed up and straddled him, but paused before inserting that big hard-on in my pussy. I admitted to him that I was nervous and worried that it would hurt me.

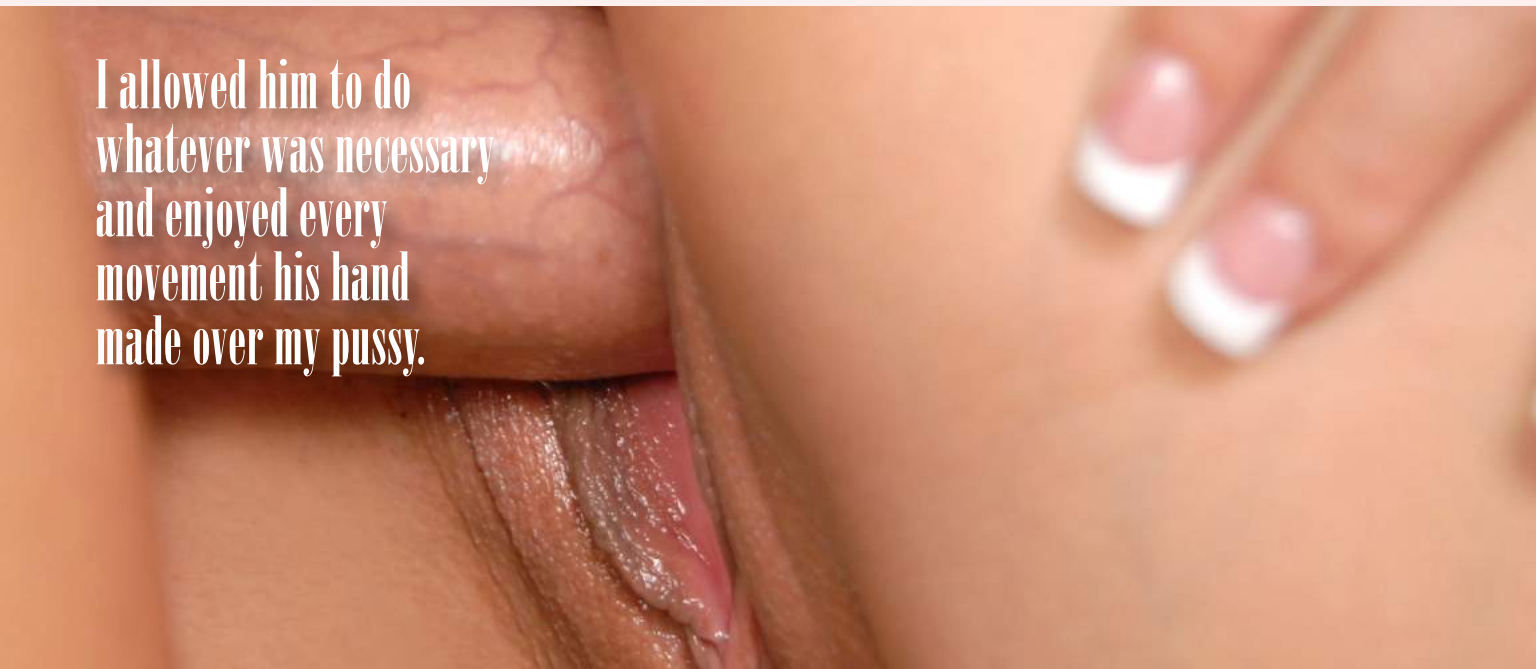
Carl told me that yes, there would be some pain, but that it was necessary and it would soon go away. With his guidance, I finally lowered myself onto his cock.

What exquisite pain! I can hardly describe the overwhelming sensation of sitting on a guy and having a part of his body inside my body! My pussy widened to swallow up his huge cock, while he kept crying out how tight I was and how sweet my pussy was. Carl was wonderfully patient; he let me take my time and move around on him the way I needed to. He thrust hard inside me, and his cock seemed to actually grow larger inside me, filling and stretching my virgin pussy. I took advantage of his generosity and bounced around on his cock until my lower body started shivering and spasming uncontrollably.

It was my first orgasm! What an indescribable pleasure! I continued to ride Carl until he filled my naïve pussy with his cum, adding to my list of new experiences that day.

I learned so much that day and now I not only work under Carl. I fuck under him, too!

– Sarah, British Columbia



The gloryhole and me...

My usual trip to the adult store ended up very unusual. I went to the adult store regularly for dildos and other sex toys. I noticed a backroom area and wondered what happened back there, but never really checked into it.

I was talking to my boyfriend about it and he said it was a gloryhole room, where women go into a room and guys stick their cocks through holes in the wall and the woman can do whatever she wants to him. He said I wasn't to go in there, because he didn't want me playing with other cocks. So I put it out of my mind.

When I was in the adult store one day I saw these hot young men eyeing me. So I strut into the backroom and walked in the door marked 'Women.' I looked around and sure enough there were several holes in the wall and a tv with porn playing on it. I closed and locked the door and took off my clothes. A couple of minutes later a big fat cock poked through the hole. I bent over and began sucking his cock. It got rock hard and then another big cock came through another hole.

I was still sucking the first cock, so I used my hands to work on the second cock. I could tell the first guy was about to cum, so I stuffed his cock down my throat and took his cum in my mouth. He moaned and pumped stream after stream down my throat. Then I pulled his cock out of my mouth and sucked on the second stiff cock.

He said he wanted to fuck me, so I turned around and slide my already very wet pussy on his big cock. It's a little awkward to fuck standing against a wall, but we got a good rhythm going anyway. I came hard and told him to fill my pussy with his cum. He moaned and I slid as deep as I could down him to take it. He filled me up like a champion bull.

I noticed his friend was hard again, so I moved over and sunk his cock in my cum filled pussy. He fucked me and I came again. He moaned and filled me with his jizz. By this time I was starting to get sore, when a third cock came through another hole. I didn't have much energy left, but he said he wanted to fuck me, so I let him.

I recognized the voice as the young stud that works at the register. I had dreamed of fucking him. He didn't take long and added to my already full pussy. I pulled off of him and cleaned myself up. I walked out with gobs of cum fillling up my panties.

The guy at the register looked at me with knowing eyes and the two other guys were no where to be found. I went home and fucked my boyfriend. He had no clue three strangers had just used my pussy as a cum dumpster. He dumped his two loads in me.

I can't wait for my next trip to the adult store and playing in the gloryhole.

– Jayne M, Santa Ana

I was still sucking on the first cock, so I used my hands to work on the second cock.

Ms. Gold and Mr. Rich find the vacation house to themselves. They were already quite horny by the time they figured out how to pass the time. She started things off with a great cock sucking, then he fucked her until her eyes rolled back. If this didn't help pass the time, then what will?

A bi girl shows another girl the delights of pussy pleasures

tropical treat

When I go on vacation, I usually take a lover with me. Sometimes I choose a guy, sometimes a girl, since I've always found both equally pleasurable. Last winter, owing to a recent break-up, I headed for a long-anticipated trip to the Bahamas on my own. Of course, that didn't mean I had any intention of staying that way.

Soon after I'd settled into my resort hotel, I met Kelly and Raymond at the poolside bar. Raymond wasn't much to look at—or to talk to, for that matter—but Kelly was stunning, with the balmy breeze caressing long blonde hair and perfect breasts. Soon my pussy was hotter than the bone-white sand on the beach beside us.

They weren't married, since from what I could see, they weren't getting along too well. Sensing an argument brewing, I excused myself and went for a swim. While I paddled through the warm, clear water, I watched their disagreement escalate until Kelly jumped up, angry and near tears over whatever Raymond had said.

"Sometimes vacations can be stressful," I said sympathetically. "Maybe you just need some time apart. Why don't you come up to my room for a while? I'll have room service send up some strawberry daiquiris." When she looked a little nervous, I flashed her my most charming smile. "Come on, be a little adventurous," I coaxed. "I'm harmless, I promise."

Upstairs, we sipped the drinks on my terrace, chitchatting about the hotel and the island in general. From there, naturally, we progressed to the subject of relationships.

"You're lucky to be traveling alone," she said, scowling as she stirred the ice in her drink. "I always thought I'd marry Raymond, but lately I'm not so sure. He just doesn't seem...you know... as interested as he used to be."

"Well, it's got to be him and not you, Kelly. You're stunning."

Kelly looked at me for a long time, her eyes widening and then narrowing in thought. She licked her lips and fiddled nervously.

"Listen, Jenna, I don't want you to take this the wrong way, but...well, you said you were divorced. Is it because... um...because you're not interested in guys?"

"Sure I am," I laughed. "But I make it a policy never to deny myself anything that might be pleasurable. What's wrong with admiring another girl, if it feels right and she deserves it?"

She seemed much more relaxed all of a sudden. I leaned forward, my hands on her shoulders, then touched my lips to hers gently. She didn't resist, and I brought my hands around to cup her breasts. She kissed me back enthusiastically, though I could tell she was still a little uncertain. It just seems to me there's a heightened sensuality, a melting together, that even the most passionate heterosexual embrace can't duplicate. Soon my pussy-juice flowed like nectar from a ripe tropical fruit.

While we kissed, and when my fingertips brushed her nipples, Kelly tensed up and giggled anxiously. She looked down over the terrace as if she expected to find everyone watching us. Since we were eight floors up, I doubted that would be the case. "I'm sorry. It's just that doing this out here in plain view...well, it's making me nervous."

"All right. We can stop...or we can take it inside."

BLAIR-NTS-09

I took her by both hands and guided her inside my room. She sat on the king-sized bed while I untied the sash of her beach cover-up. It fell away, and I traced the curves of her slim hips with my palms and wedged them under the elastic of her bikini bottoms.

"I...I've never been with another girl before," she stammered, as if I hadn't guessed. All the same, I could see her leaning toward me. "Don't worry," I said, sliding her hips to the edge of the mattress. "I'll take care of everything. At first, anyway." I knew it would be only a matter of one or two bone-shaking orgasms before Kelly was ready to take charge of me!

Breathing heavily, I stepped out of my own bathing suit. She stared at my body with frank curiosity, her eyes practically burning a line from my erect nipples to my moist bush. Leaning forward, I skimmed off the bikini bottoms and parted her thighs. I paid homage to that sweet-tasting pussy, lapping and sucking her, making her body twist and shake until I thought she might turn herself inside out with pleasure.

Meanwhile, she pushed against my probing lips and thrusting tongue in a series of short, gasping heaves that sent jolts of desire straight to my own clit. I could easily have reached down and brought myself off with the barest touch of my fingers, but I didn't. I had much bigger plans for my own satisfaction.

It didn't take long to bring Kelly close to her edge. When I traced my fingertips along the quivering inside of her thigh and pushed two of them lightly inside her pussy-hole. Gently, I added a third and fourth finger to the mix, still circling her clit with the tip of my tongue.

When I pushed down on her whole pussy with my open lips, almost like I had when I was kissing her mouth, she lost it. She came with all the fury of a pent-up volcano, wailing and thrashing. She finally quieted down and went limp in my arms. I let her rest for a few minutes, then snuggled my head between her soft breasts.

"That was wonderful," she murmured, stroking my dark, shoulder-length hair. Her fingernails left my scalp tingling pleasantly. "I'm glad I let you talk me into it."

"I'm about to talk you into something else," I joked, though by then my clit was hammering so hard that I could barely get the words out. "And that's to show me what you've learned."

Kelly murmured happily again, so I lay on my back and opened my legs. Imitating my movements, she slid into position on top of me and wrapped those soft, pillow-like lips around my bulging left breast. I wrapped both hands around her head and pulled her to me. She sucked harder on my nubbin, her lips curving into a smile I could feel against my hot skin. Then she moved lower, her wet mouth trailing along my torso and brushing against my pussy-lips. She paused for a moment, then tentatively touched her tongue to my clit.

"Use your fingers, too," I managed to gasp, guiding her hand between my thighs. She slid her fingers into my wetness, a groan escaping from deep in her chest while her tongue hummed over my swollen bud.

Wow! I couldn't help crying out as a storm raced through my body. The climax that hit me was nothing short of awe-inspiring. Suddenly, every nerve in my pussy was pulsing, spitting

fire, exploding. Kelly stayed with me the whole way, using two fingers to stir me into a lather. Finally I tossed my head back and went totally rigid, every muscle in my body clenching as I savored the heat that flashed through me.

I held onto that feeling as long as I could, trying to squeeze every last moment from that stupendous orgasm. When I finished, it wasn't like a sudden crash to earth, but more like a gentle floating sensation. I was as light as a feather, drifting through that gentle tropical sky.

Sweaty and satisfied, we lay in each other's arms. Kelly's naked legs, streaked with our mingled juices, were wrapped around mine.

"That was...wow, I don't know how to say it, just wonderful." She rested her head against my shoulder, nibbling on my flushed skin, then looked up at me with fresh interest. "I think I could really get into girls...except I'm afraid I'd miss...well, you know."

I looked up at her blushing cheeks and laughed. "Yeah, I know exactly what you mean. Luckily, I have the perfect solution."

Slipping out of bed for a moment, I reached into my suitcase, which was still propped up on the metal luggage rack. Kelly knew what I was holding the moment I held out a silk drawstring bag. As I got back under the covers, I shucked off the bag and turned the vibrator on.

"Let's start with 'low,'" I teased, running it along her leg and over her bush. "I don't want you to get too excited all at first."

"I sure hope so," she purred. I applied the buzzing instrument to the tender flesh between her thighs. I watched her face and shoulders tense up while a crimson flush spread like flames up her chest and neck. The sound of Kelly's contented whimpering told me she was coming, and I pushed the vibrator down on her pussy with renewed vigor. As it twisted deep inside her, rubbing up and down her tender membranes, I turned it up a notch and felt her spasm in pleasure. I think I felt the first waves of climax jolt her body at the same instant she did.

I wanted to share her excitement, so I quickly reached down and brought myself to orgasm. By the time I switched off the vibrator and slipped it from her open pussy-lips, she was a sodden, melted mass on the bed. A few last droplets of juice bubbled from her slit, and I licked them away while Kelly slumped back to recover.

For a long time, we held each other and dozed. Eventually, I decided to sprinkle what was left of the strawberry daiquiri over her body and lick off the sugary-sweet droplets with slow, loving strokes. Of course, that got us so sticky that we ended up taking a long, leisurely shower.

When I saw her the next day, she gave me some news that surprised me. Raymond had guessed what had been going on between us, and instead of being mad, he was so turned on that they'd had the best sex ever. Their newfound lust kept them busy until they left the island a few days later. I was on my own again, but I didn't mind.

A few weeks later, I got a postcard from Kelly. She and Raymond were on the outs again, and she wondered if she could fly out and visit me. I suggested that we plan to meet on that same island, at the same resort hotel, in six months. This time, we'll both be traveling alone...but like before, we probably won't stay that way for long.

ava & maryjane

no sloppy seconds here

Ava didn't even want to go over to her friend Maryjane's house, being depressed after learning her grades were not that good. Maryjane convinced her to come over anyway. To Ava's surprise, their teacher was there and both girls took out their pent-up tensions on him. He gave them both an A+!
